About Arena Pharmaceuticals

[Arena Pharmaceuticals](#) is driven to deliver novel, transformational medicines with optimized pharmacology to patients globally. Arena's proprietary pipeline includes multiple potentially first- or best-in-class assets with broad clinical utility. [Etrasimod](#) (APD334), with potential utility in a broad range of immune-mediated and inflammatory conditions, is being evaluated in later-stage clinical programs in ulcerative colitis (UC) and Crohn's disease (CD), as well as in programs for other indications such as atopic dermatitis. Arena is also evaluating [olorinab](#) (APD371) in a Phase 2 program for gastrointestinal pain. Arena continues to assess other earlier research and development stage drug candidates, including [APD418](#) for decompensated heart failure.

Arena has additional license agreements and partnerships, including with United Therapeutics (ralinepag in a Phase 3 program for pulmonary arterial hypertension), Everest Medicines Limited (etrasimod in Greater China and select Asian countries), Boehringer Ingelheim International GmbH (undisclosed target – preclinical), Outpost Medicine, LLC (undisclosed target – preclinical), and Eisai Co., Ltd. and Eisai Inc. (BELVIQ® – marketed product).

Forward-Looking Statements

Certain statements in this press release are forward-looking statements that involve a number of risks and uncertainties. Such forward-looking statements include statements about Arena's presentation and webcast of the investor conference, Arena's drive, and the potential of Arena's assets, programs, licenses, and partnerships.
